Dear Mary,

I wrote you quite sometime ago, but received no answer.

I have been wondering how you folks are. We are all as well as usual.

It will be a year the latter part of this month since Dad has been home.

The last time I got a letter from him was right after Decoration Day.

My Grandmother is still living with Mother and I. She has been with us

about a year and a half.

Mother wanted me to ask you  
how your mother is.

She have been wanting to come  
to Janesville, but it seems as  
though we never get up that way  
very often. Mrs. Norman wanted  
us to come up and spend a day  
with them.

How are business conditions  
in Janesville? They have been  
picking up here in Rockford  
quite a little here of late.

I still want to get back in  
the telephone office. I don't care  
if its here in Rockford or where.

Have they hired any girls  
in the Janesville office lately?

If they ever do start hiring  
please let me know. Then Mother  
and I'll come up there to live.

We sure have been having  
some wonderful weather. I  
wouldn't mind if it would stay  
like this always. We had a  
cloudburst here about two  
weeks ago. also quite a little  
wind and hail. It ruined a lot

of the crops around this  
part of the country.

Well Mary I am hoping  
you will answer this letter  
real soon. Write and let  
us know how you folks  
are anyway.

If you ever want to call  
us by phone you can call  
the neighbors across the  
street and they'll call us  
to the phone. Forest 795.

If you can't get us there  
you can call the gasoline  
station across the street  
and they'll call us too.  
Main 1752. They are open  
until 10 P.M.

I hopeing to hear from  
you real soon.

With love,

Cousins Ethel & Lizzie.
